Our Mission is to constantly endeavour to establish LIT as a centre of excellence in IT education landscape.

Our Vision is to maintain academic excellence towards achieving the pinnacle of glory as the top IT manpower provider in the country.

OBJECTIVE

LIT

Lakshya Institute of Technology (LIT), under Utkal University, offers BCA, B.Sc. in Data Science, Computer Science, and ITM. We focus on communication, technical skills, University course and placement training to prepare students for successful and confident professional careers.

LHSS

Lakshya Higher Secondary School aims to provide high-quality education, fostering scientific curiosity and critical thinking. We build strong foundations and practical skills to ensure JEE/NEET success and nurture future professionals.

LIT TRAINING

Join our expert-driven courses in Java, Python, Front-End, AI, Data Analytic, Mern-Stack, Data Structures, C, and Database — specially designed for college students aiming to boost their skills and career prospects and enjoy our unique “Pay Once, Learn for Life” offer.

FOUNDER'S DESK

Learn Programming with Prof. Susant K Rout — with depth, clarity, and a heart full of dedication. Driven by the guiding mantra “**Learn, Implement, and Earn,**” my mission is to empower minds, build confidence, and transform lives through real, practical learning. I have dedicated my journey to creating opportunities for students. LIT today offers:

(Short-term professional training programs, BCA, Computer Science, Data Science, ITM, +2 Science College)

Prof. Susant K Rout
FOUNDER-CUM-CHAIRMAN

PRINCIPAL'S DESK

Welcome to LIT family. Heartly, I express, “LIT provides the right platform for all-round development and to ensure placement.” It is my heart felt expression about glorious history of LIT for its unique practices.

Prof. Dileswar Sahoo
PRINCIPAL

DIRECTOR'S DESK

Lakshya Higher Secondary School is deeply committed to quality education. Our dedicated faculty and round-the-clock parental care create a supportive environment, ensuring every student's academic success.

Bishnu Prasad Dash
DIRECTOR

OUR TEAM

LAKSHYA INSTITUTE OF TECHNOLOGY

"Our college features highly qualified faculties who inspire excellence. They are supported by efficient administrative and technical teams dedicated to maintaining a well-equipped, innovative campus. This commitment ensures holistic student excellence and personal growth for all."

COURSE OFFERED

1

BCA

BSc. ITM

BSc. Comp. Science

BSc. Data Science

The main goal is to secure a future-proof career in the high-demand IT sector. These degrees offer specialized skills in coding, data analysis, and systems management, ensuring you become a job-ready professional for top MNCs.

Eligibility

BCA - +2 (Any Stream) with Mathematics as a subject.

BSc. ITM - +2 Science only.

BSc. Comp. Science - +2 Science with Mathematics as a subject.

BSc. Data Science - +2 Science with Mathematics as a subject.

2

+2 Science (CHSE)

Studying +2 Science is the gateway to Engineering and Medicine. It equips you with Physics, Chemistry, and Mathematics/Biology to develop strong analytical skills essential for advanced professional and technical careers.

Eligibility

+2 Sc. - Minimum 60% aggregate marks in the 10th examination.

3

LIT TRAINING

Java, Python, Front-End, AI
Data Analytic, Mern-Stack
Data Structures, C, Database

In short, a course this extensive aims to produce not just a coder, but an all-in-one Software Engineer ready to tackle almost any technological challenge in a modern tech company.
